PRESENCE BUILDER

Online Presence Building for Small and Medium Businesses

ESTABLISH A STRONGER ONLINE PRESENCE WITH PRESENCE BUILDER

With so many marketing tools on the internet, it's easy to be overwhelmed. On top of maintaining a mobile-friendly website, you've probably been told you need a blog, a Facebook page, a Twitter account and roughly a million other things.

Presence Builder is here to help. With one tool, you can unify your online presence to the point where you only have to maintain one set of data across your desktop, mobile and social platforms. Meanwhile, Listing Distribution will ensure your data is consistent and accurate across 300+ websites.

More than

of Google searches are performed on a mobile device.

Look good for search engines with Location Pages

Build a responsive location page for your business to ensure that your website is easily findable and mobile-friendly.

Climb to the top of Google with Listing Distribution

Send your business' information to the four major data providers, who will distribute it to 300+ sites, including Google, Yahoo!, Bing, and hundreds of other search engines and online directories.

Fix your social media data with Profile Sync

Ensure your Facebook, Twitter and Foursquare accounts are synced with your most up-to-date information.
